# PCC RENOVATION 2017

Dear PCC Members/Attendees

At the Annual General Meeting on November 30th, the membership gave unanimous approval to the launch of a \$300,000 fundraising campaign for Stage 1 in our overall Renovation Plan. This first stage (see accompanying diagram) will address our most urgent needs at present – expanding our central commons area (foyer) to make it more suitable as fellowship space. This will transform a noisy, utilitarian-styled, crowded foyer that barely accommodates 4 or 5 tables (seating for perhaps 40) into an attractive dining/fellowship space with modern décor, proper acoustical treatments, and room to accommodate 12 or 13 tables (seating for 100). As our Mon./Wed./Fri. meal programs for the poor, lonely and homeless routinely try to accommodate numbers in excess of 50 guests each night, this renovation cannot come quickly enough.

In addition, this Stage 1 Project will re-orient the main church entrance to the south side of the building, providing a wide, welcoming hallway to the commons area and to the Sanctuary. As well, this is a necessary prerequisite to two further projects that will: a) turn and transform our Sanctuary into better worship space; and, b) reorganize, improve, and expand our Children's Ministry space.

The fundraising campaign is launched immediately. We encourage everyone to get involved, contributing as they are able. Donations and pledges should be directed to the Fellowship Commons Campaign. People may have until December 31, 2017 to fulfill their pledges. The goal is to reach \$300,000 in overall pledges as quickly as possible. Construction can begin as soon as we have received \$150,000 in cash, with a further \$90,000 pledged. Ideally, we would like to undertake the project during summer 2017, as it will only take three months to complete. Therefore, we encourage everyone to submit their donation/pledge form (see below) before the end of April.

Thank you,  
Glen Forrester, Board Chairperson
