Read story out loud.

1. Why do you think God selected Saul to be his Apostle to the Gentiles? What qualified him for the job?
2. What can we learn about Christian conversion from the conversion of Saul? What is unrepeatable? What universal principles are present?
3. Let's talk about Ananias! What a guy!! What can we learn from him and his story? About obedience? Courage? Faith? Love?
4. Has God ever tapped you on the shoulder with an "Ananias Assignment"? Something way out of your comfort zone, yet you knew that the Spirit was upon you for the task.
5. How did the experience on the road to Damascus change Saul? His thinking? His heart?
